Dorothy's List

The LGBT Labour Campaign Fund

Dear Labour Party Member or Supporter

Dorothy's List is a Campaign Fund established by LGBT Labour to support Lesbian, Gay, Bisexual & Trans candidates standing to represent the Labour Party in Parliament.

We all know there are huge barriers for LGBT candidates, particularly women, and we hope this will go some way to showing our solidarity and support.

We have set a fundraising target of £2,000 to support candidates at the next General Election—and so we are asking for your donation, whether one-off or standing order.

Please read this leaflet about some of the talented LGBT people standing as Labour Party candidates at the next election.

And please give generously – every penny will go towards a more representative Parliamentary Labour Party and greater equality for the LGBT community.

"This Labour Government has delivered the biggest increase in LGBT rights in our history, but, if we want a parliament that reflects our society, we need to ensure that LGBT people and especially women continue to be represented.

"It is therefore important that money is available to help LGBT candidates win and retain seats, so we are pleased to be giving our enthusiastic backing to this campaign."

Angela Eagle MP (Wallasey)
Stephen Twigg (Candidate for Liverpool West Derby)

"The campaign fund is a great idea to help in our marginal and target seats.

"We have a really positive record to get across on equalities, particularly for the LGBT community.

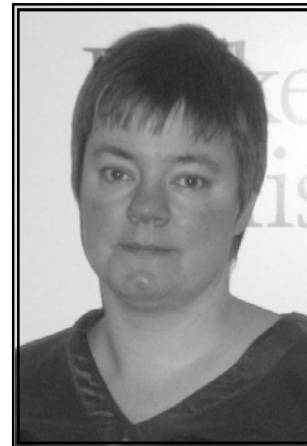

"But If we want equality, we need to fight for it and that means returning as many Labour MPs as possible at the next election."

Andrew Pakes Lab & Co-op PC, Milton Keynes N.

"In the 20 years since Chris Smith came out, Labour politicians have transformed the lives of LGBT people in Britain - but the number of out LGBT MPs remains small.

"I am delighted to support LGBT Labour's fund for out candidates at the next General Election."

Ian Boulton PC, Filton & Bradley Stoke

"I stood for Parliament in 1997 as an openly lesbian candidate.

"We need more diversity in Parliament and so we will be targeting resources particularly towards lesbian candidates, LGBT candidates standing in marginal seats and those standing for the first time."
